Announcements

Sports & Registration:

It may be cold outside but Spring is on its way! Spring sports will be ramping up soon. New and returning athletes are encouraged to demonstrate their interest in a sport by registering early. Please note, full payment must be received prior to the registration deadline to avoid late fees.

Basketball: ATTENTION Mid-Atlantic teams (12U Girls, 14U Girls and 14U Boys): The league is looking into rescheduling games that were cancelled either due to weather or conflict. Information will be shared as soon as received.

Share your love of sports by coaching: We need additional coaches for Track & Field and Baseball. Coaches must be Virtus trained and are eligible for a set number of school volunteer hours.

Inclement Weather: In the event of inclement weather, please check your email (or text messages) for communication from your team's coaches or the CYO program before heading to practices or games. If PGCPSS is closed, SAS will be closed and there will be no practices that day. **Game cancellations are determined by ADW, not PGCPSS.** If a game is cancelled, it will be posted on the ADW website and coaches will inform their teams. Please make sure you have the proper information in SportsPilot. Communication about game/practice changes may be sent via SportsPilot.

Fundraising & Spirit Wear:

New basketball shirts are now in stock! Let's show our BEE Pride by wearing what you already have and/or purchasing new spirit wear! Order from our **new inventory** of St. Ambrose CYO shirts, sweatshirts, hats, backpacks & car magnets (coming soon).
